

The Spa at Norwich Inn provides an exceptional setting for executive retreats, sales incentive programs, brainstorming sessions, team building events, and regional association conferences. Conveniently located in southeastern Connecticut, we are an intimate, satisfying alternative to larger, convention-oriented facilities.

HUNT ROOM

Our six meeting rooms, accommodating groups of two to two hundred, incorporate comfort, convenience, the latest in technology, and all the necessary luxuries required for today's meetings. All our meeting rooms are understated, elegant, and inviting, in the spirit of the Inn itself. Three also have working fireplaces. From your initial contact, our experienced conference services staff will guide you through the planning, and most importantly, the execution of a successful event.

WINDSOR SUITE

During free time, you and your colleagues may choose to enjoy the energizing benefits of our award-winning Spa. With 32 treatment rooms, our Spa provides a welcome escape for hard-working executives. Here you will experience an utter sense of calm; a world where nothing touches you but soothing waters, subtle fragrances, and a gentle hand. There are no regimens other than those you choose, and no distractions other than those you seek. The use of our newly updated fitness center, indoor pool, or meditation room are available. For those feeling more adventurous, Lake of Isles golf course and Foxwoods Resort Casino are both located just 12 miles from The Spa at Norwich Inn.
